Introduction

AlaFile is a web-based application designed to allow registered users to file and receive service copies of court documents electronically. It creates a more efficient process for filing documents with the state court system.

Getting Started

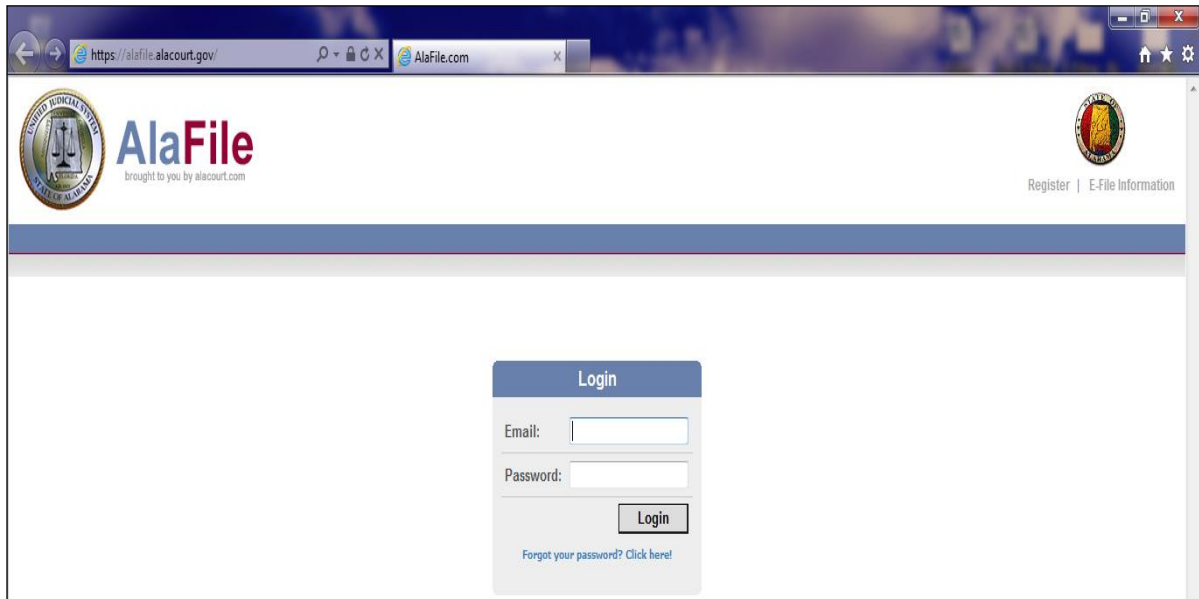

System Requirements

To use AlaFile the user needs a computer that can connect to the internet. If your computer does not have internet access, please check with your local system administrator. That individual should be able to determine whether you are able to run AlaFile from your computer.

AlaFile is designed around Microsoft Internet Explorer 11 and Microsoft Edge. It is suggested that you have the latest version available for your operating system. AlaFile is **NOT GUARANTEED** to run properly when using other popular web browsers such as Apple Safari, Google Chrome, Mozilla Firefox etc.

Logging into AlaFile

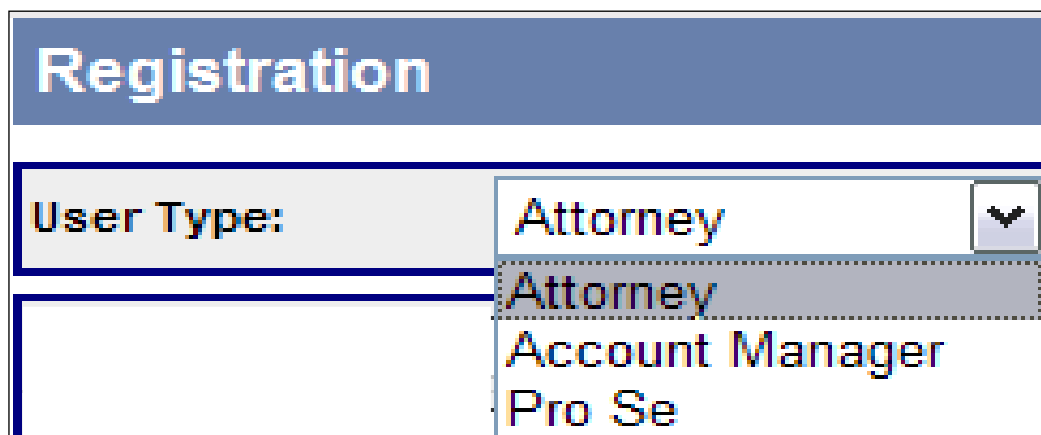

The AlaFile website address is <https://alafile.alacourt.gov>.

To log into AlaFile the user must first register with the application.

Special Notes about the AlaFile Registration Process

- Three types of users can register with AlaFile:

1. **Attorneys.** This is the primary group of e-filers within AlaFile.
 - Your **Attorney Code** is issued by the Alabama Administrative Office of Courts. It is a 6-digit code, usually starting with the first three letters of your last name and ending in three numerical digits. If you do not know your

attorney code, please call 1.866.954.9411, Option 1, then Option 2 (the State Judicial Information Systems {SJIS} Help Desk) or local 334.954.5000 Option 1, then Option 2.

- Your **ASB Bar ID** is your identification number issued by the Alabama State Bar. It is an 8-digit code and can be found on your Alabama State Bar Membership Card. If you do not know your Alabama Bar ID, please call 1.800.354.6154 or local 334.269.1515.
2. **Account Managers.** This type of user will be able to log into AlaFile and generate payment history reports (firm administrators or bookkeepers).
 3. **Pro Se's.** Parties that are not represented by an attorney.

Steps to register with AlaFile as an Attorney

1. Click on the grey **Register** link at the top right of the AlaFile welcome page.

2. Completely fill in the AlaFile registration form.

AlaFile Pro Se Registration Instructions

Individuals or businesses who choose to file as Pro Se may sign up for electronic filing on the AlaFile website by following the steps as outlined below. Registering and Associating a Pro Se Filer is a four step process.

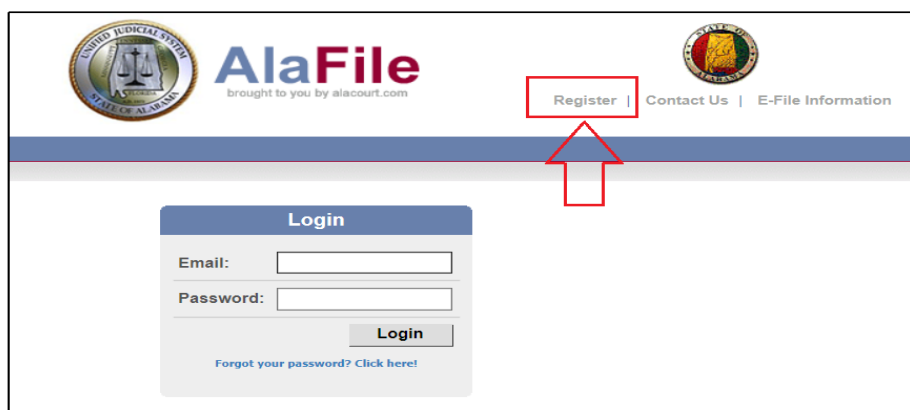

Each filer must register individually. AlaFile does not allow a Pro Se filer that is registered as an “Individual” to eFile on behalf of a business or another party. Likewise, a business that has multiple employees filing on behalf of the business, each employee must register in order to eFile on behalf of the business. Each pro se filer must submit an authorization letter from the business as part of the registration process. (Example: XYZ Company may have multiple employees filing on behalf of the business; all users must register and use their own login to AlaFile). Individuals filing on behalf of a business should select the *business* party type.

The image shows a registration form titled "Registration". It contains two main sections: "User Type:" and "Party Type:". The "User Type:" section has a dropdown menu set to "Pro Se (Individual or Business)" with a checkmark, and a note "(Individuals or Businesses Filing Pro Se)". The "Party Type:" section has a dropdown menu with "Please Choose" selected, and options for "Business" and "Individual" listed below it.

STEP ONE: ALAFILE PRO SE REGISTRATION

The pro se filer would browse to the AlaFile website (<https://alafile.alacourt.gov>) and select the Register button in the upper right corner under the Seal of Alabama.

The image shows the AlaFile website interface. At the top, there is a header with the AlaFile logo and the text "brought to you by alacourt.com". To the right of the logo is the Seal of Alabama. Below the seal, there are links for "Register", "Contact Us", and "E-File Information". A red box highlights the "Register" link, and a red arrow points to it. Below the header, there is a "Login" section with fields for "Email:" and "Password:", a "Login" button, and a link for "Forgot your password? Click here!".

PRO SE INDIVIDUAL

An individual who wishes to file Pro Se must fill out the registration form on the AlaFile website completely and then click the Submit button to complete Step One of the registration process.

PRO SE BUSINESS

The registration form for the pro se business has a section where the filer must upload an authorization letter on the company's letterhead as part of the registration process. They must select whether the business is a Corporation or Partnership and if the registrant type is an officer or a full-time employee. This letter will be included in step two and three of the registration process.

NOTE: The Cc: fields are optional. The email address for any other individuals who need to receive a courtesy copy of the e-filing notices should be entered in this section.

Once this registration information has been completely filled out and reviewed for accuracy, the Pro Se applicant will need to click "Submit." A confirmation dialog box should appear stating that registration instructions are being sent to the email address specified when registering. The Pro Se applicant will need to check his or her personal email account, as these registration instructions should be sent within 30 minutes.

Here are the instructions that the Pro Se filer receives in the email that is sent to them after they submit their registration form. We also have a screenshot below of the email.

STEP TWO – LOCAL CLERK’S OFFICE VERIFICATION PROCESS

Once this state form has been printed off, the Pro Se will sign and take this form (and driver’s license or state identification (picture id) to your local Circuit Clerk’s

office so the Clerk's office can verify the registration credentials and register the Pro Se applicant using the AlacourtPlus > Tools > Pro Se > Pro Se Registration menu.

Steps the Circuit Clerk would take to verify a Pro Se Applicant.

1. Obtain the printed paperwork and photo ID from the Pro Se applicant.
2. Login to AlacourtPlus.
3. From the top menu bar click on Tools > Pro Se > Pro Se Registration.
4. On the Pro Se Registration tab enter the First Name and Last Name of the Pro Se applicant on the search menu on the left and then click the Search button.
5. The search menu has the options to search by Verification ID and Driver's License Number as well if you are unable to locate the applicant by their name.
6. If they have completed Step One their name should pull up on the search (on the center right of the screen).
7. Double click on their name or information line.

8. The Add Pro Se popup box will display with their information and an Add Pro Se button and a ReSend Sign up Email button.
9. If their paperwork is in order, click the Add Pro Se button to verify their application.
10. This action will prompt an email to be sent to the Pro Se applicant's email address they have registered with.

NOTE: If the Pro Se applicant has accidentally deleted the registration email that they receive from AlaFile, you can resend them the email from the Resend Sign up Email button.

11. Scan the paperwork the Pro Se applicant presented into the Pro Se folder from the AlacourtPlus > AlaVault > Scan Else menu.
12. Select the PRIVATEPS sub folder under the PRO SE APPLICATION folder. (All Circuit Clerk's and their designee(s) should have access to this folder.)

13. Scan in the documents and a copy of the Driver's License or Photo ID.
14. On the Document Information menu on the right, enter the Pro Se applicant's information. **NOTE:** On the DESCRIPTION drop down menu there is not an option for Pro Se Application *specifically* nor is there an option for *other*. Please select the best option available for what you are scanning. You can be more specific on the Keywords text box.

 The image shows a 'Document Information' window. It contains the following fields:

- DOCUMENT DATE: 05/20/2016 (dropdown)
- KEYWORDS: PRO SE APPLICANT - JANE DOUGH (INDIVIDUAL) (text box)

 At the bottom are 'Clear' and 'File' buttons.

15. Once all information is entered, select the File button.

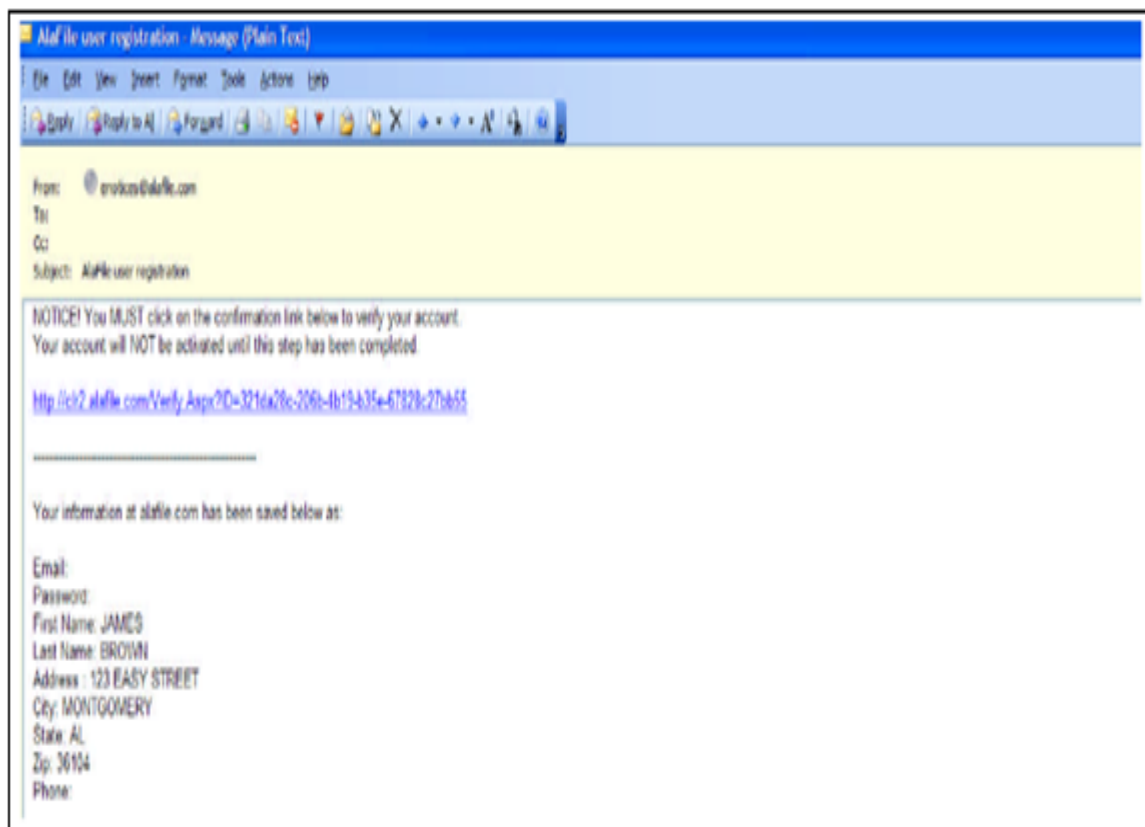

IMPORTANT! Once the Pro Se Applicant completes the third part of the process (see below) they will be able to login to AlaFile and file new complaints. However, if they have existing cases that they wish to be associated with so they can eFile into those existing cases via AlaFile, the Clerk's office must associate them with that existing case. They will need to call back and give you the case number after they

have completed part three below. Perform the steps on page 10 to associate them with an existing case.

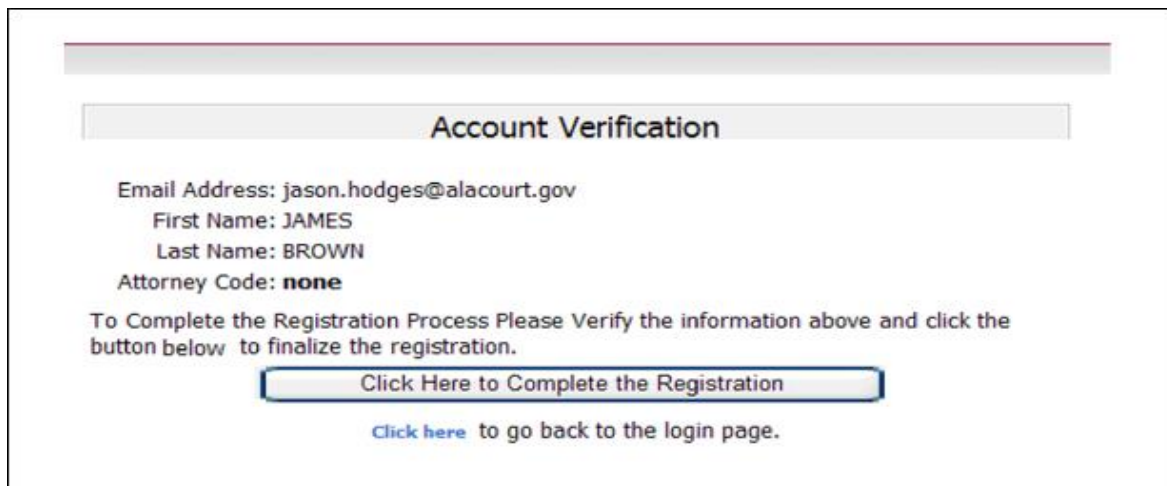

STEP THREE – PRO SE APPLICANT CONFIRMATION

After the Circuit Clerk's office has completed their registration process in step two above, the Pro Se applicant must complete step three before they can login to AlaFile.

An email will be automatically generated from AlaFile back to the Pro Se applicant once the Circuit Clerk completes step two. The Pro Se MUST click on the blue hyperlink in the email from AlaFile in order to verify their email account before logging in to AlaFile.

The provided link in the verification email will take them to a page on the AlaFile website where they can select a button to complete this process. Once they **Click Here to Complete the Registration**, a message in green font will let them know their registration has been completed and that they can click the link to login to AlaFile.

The screenshot shows a web page titled "Account Verification". It displays the following information: Email Address: jason.hodges@alacourt.gov, First Name: JAMES, Last Name: BROWN, and Attorney Code: none. Below this information, a message states: "To Complete the Registration Process Please Verify the information above and click the button below to finalize the registration." There is a button labeled "Click Here to Complete the Registration" and a link labeled "Click here" to go back to the login page.

Pro Se filers can eFile new complaints once they are able to login to AlaFile. However, if they wish to eFile in an existing case they will need to contact the Circuit Clerk's office and ask that they be associated with the existing case. They would provide the case number(s) to the Circuit Clerk.

NOTE: This option is not available in the JU Division at this time.

ASSOCIATING A PRO SE FILER WITH AN EXISTING CASE

1. Login to AlacourtPlus.
2. From the top menu bar click on Tools > Pro Se > Pro Se Association.
3. From the Pro Se Association tab enter the First and Last Name of the Pro Se filer then click Search.
 - a. There is a Verification ID number option to search by if you cannot locate the Pro Se filer by their name.

NOTE: If they have successfully registered their name will display on the center right of the screen.

On the Pro Se Association menu: The Pro Se User Information will appear at the top of the menu. In the middle of the screen there are three buttons; Add Case, Move Case(s), and Remove Case(s). At the bottom portion of the menu will display any cases that the Pro Se User has already been associated with. The County, Case Number, and Party Code will display.

ADD CASE

1. Click on Add Case button.
2. Enter the Case number and then click on the Lookup button.
3. The parties for that case should display in the Party List box.
4. Select the Pro Se from the Party List and then click the Add Case button.
5. Repeat these steps for all cases that the Pro Se needs to be associated with.

MOVE CASE(S)

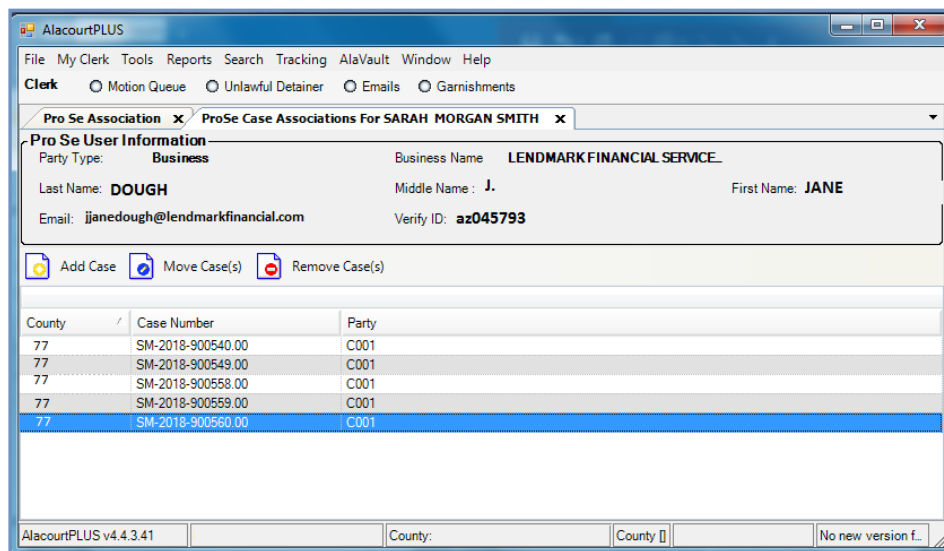

The Move Case(s) button allows cases that are associated with a Business Pro Se user's cases to be transferred to another Pro Se user who is registered to file on behalf of the same business. For example, Employee A works for XYZ Company and has been authorized by the company to eFile on the company's behalf and that employee has completed the registration process and has been associated with cases that the company is a party on. If employee A leaves the company and the company hires employee B to file on their behalf; the MOVE CASES button will allow the Clerk's Office to move XYZ Company's cases that are associated with Employee A over to Employee B.

1. Search for the Pro Se Business user who has been associated with the company's cases who is no longer with the company per steps 1-3 above.
2. The cases should display at the lower portion of the Pro Se User menu.
3. Select the cases to move. To select all cases listed, click on the first case then hold down the SHIFT key on the keyboard and then select the last case so that they are all highlighted blue. This action will activate the MOVE CASE(S) button.
4. Click on MOVE CASE(S).
5. A Pro Se Lookup box will display.
6. Enter the name of the user you wish to move the cases to then click SEARCH.
7. Select the user from the list below then click CONTINUE.
8. The case(s) will be moved once the Continue button is selected.
9. Go to the new Pro Se user for that business to confirm the cases are there in the list.

REMOVE CASE(S)

To remove cases from a Pro Se party that have previously been associated with them, use the REMOVE CASE(S) button.

1. Look up the Pro Se party by following steps 1-3 above.
2. Select the case(s) to remove.
 - a. If removing more than one case at a time, use the SHIFT key to select more than one case in a row; however, if selecting cases that are not in a row, user the CTRL key to select multiple cases that are not in a row. To do this: Select the first case to remove then hold down the CTRL key on the keyboard and then select the next case and while still holding down the CTRL key, select as many cases as necessary. Once all cases have been selected (highlighted blue) then you can release the CTRL key on the keyboard.
3. Click the REMOVE CASE(S) button.

The designated **Email** and **Password** created at the registration process is what the user will use to login to AlaFile. This information can be customized per the user's discretion.

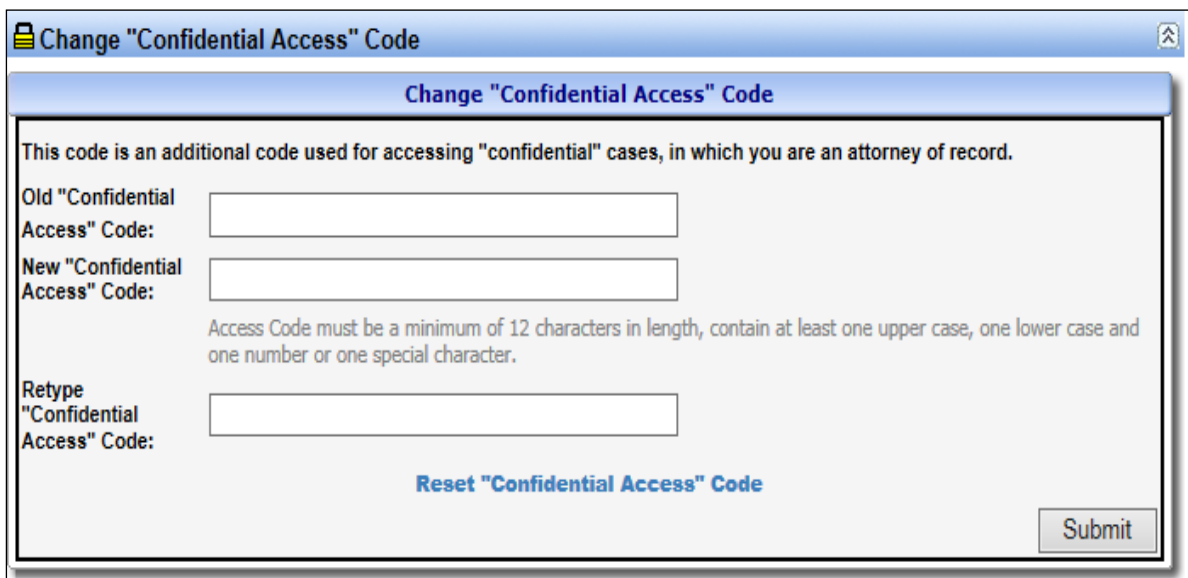

The AlaFile password consists of:

- 9 characters
- At least one upper case character
- At least one lower case character
- At least one number or one special character

AlaFile users who file or access confidential documents will be required to enter a separate confidential access code in addition to the 9-character password required to access the AlaFile application.

The AlaFile confidential access code consists of:

- 12 characters
- At least one upper case character
- At least one lower case character
- At least one number or one special character

The screenshot shows a web browser window with the title "Change 'Confidential Access' Code". Inside the browser, there is a form with the same title. The form contains the following elements:

- A header bar with the title "Change 'Confidential Access' Code".
- A paragraph of text: "This code is an additional code used for accessing 'confidential' cases, in which you are an attorney of record."
- A label "Old 'Confidential Access' Code:" followed by a text input field.
- A label "New 'Confidential Access' Code:" followed by a text input field.
- A paragraph of text: "Access Code must be a minimum of 12 characters in length, contain at least one upper case, one lower case and one number or one special character."
- A label "Retype 'Confidential Access' Code:" followed by a text input field.
- A blue link labeled "Reset 'Confidential Access' Code" centered below the input fields.
- A "Submit" button in the bottom right corner.

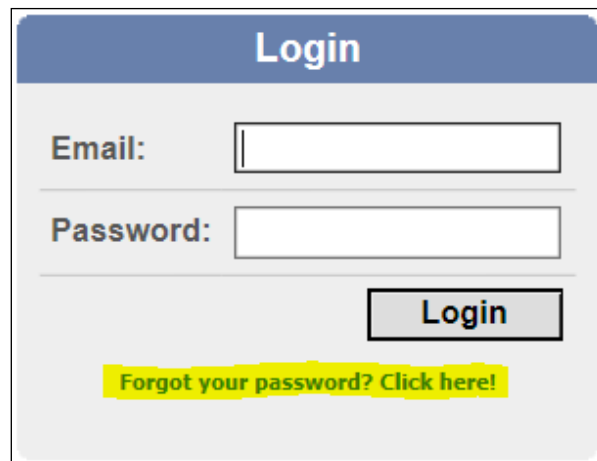

The **CC** (courtesy copy) fields are email addresses of legal secretaries, paralegals or other staff that wish to receive courtesy copies of all notices served via AlaFile. When service copies are sent through the application these CC email addresses will also receive a copy.

2. Enter your AlaFile email address on the RESET ALAFILE PASSWORD Popup box.
3. Enter the Verification Code that is displayed in red letters (**Note:** The verification code that is pictured is case sensitive; therefore, it must be typed in exactly as shown).
4. Left Click on the RESET button (**Note:** The verification code in the screenshot below is an example; do not use this code.)

5. A message will display stating that an email with a temporary password will be sent to your email address.
6. Verify that the email address listed is accurate
 - a. If so, login to your email account to retrieve the temporary password.
 - b. If not, contact the AlaFile Helpdesk, ITSupport@alacourt.gov or 1-866-954-9411 Option 1, Option 4.

7. Leave the AlaFile webpage up but minimize it so you can go to your email account and login or check your inbox for the email from **alafilenotices** with the subject line, 'Reset AlaFile Password'.

8. Copy the temporary password from the email then go back to the AlaFile login page and paste the password into the password field.
9. Enter your email address in the Email field.
10. Left Click on the Login button.

A login form with a blue header bar containing the word "Login". Below the header, there are two input fields: "Email:" and "Password:". To the right of the "Password:" field is a "Login" button. Below the "Login" button is a link that says "Forgot your password? Click here!"

11. Enter a new password and retype the new password in the RESET ALAFILE PASSWORD box.

12. Left click the SAVE button.

Email / Update Account / Payment History Options

The **Email** tab found on the main navigation bar allows the user to view service copies of court filings (e-notices) that have been sent through the application.

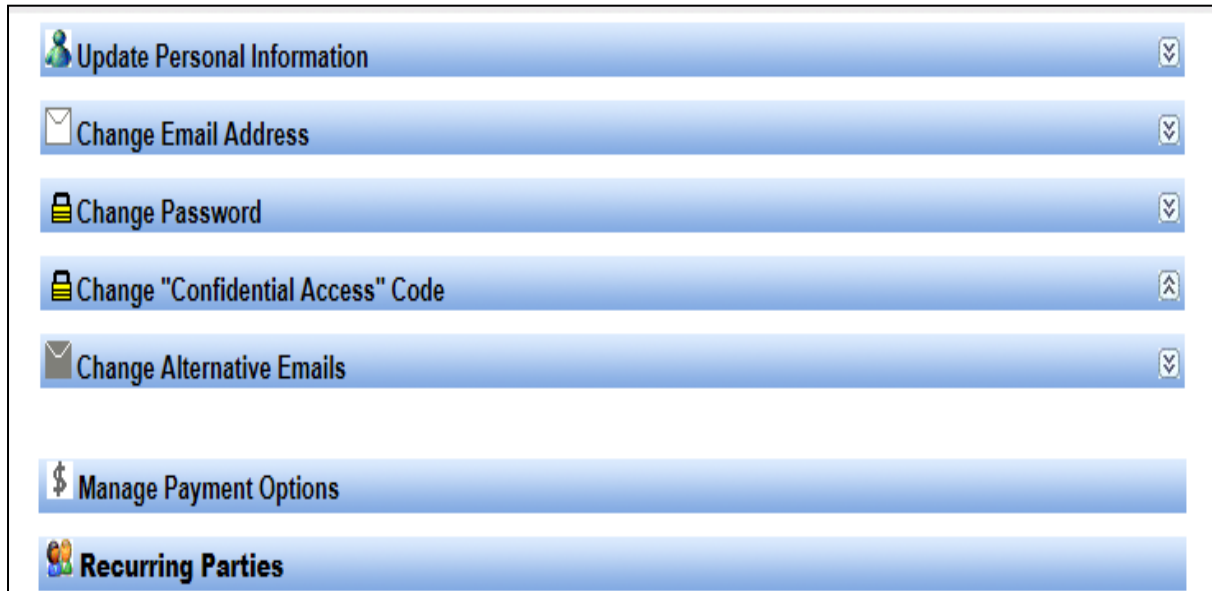

All court e-notices are sent by AlaFile to two locations:

1. the **Email Tab/Inbox within AlaFile** and
2. **the registered users email account.**

In the event of technical difficulties with the registered users email account (i.e. spam / server / ISP issues or an email account that has reached its size limit) the user will still have access to service copies within AlaFile. The user can log into AlaFile and click on the **Email Tab/Inbox** to access a service copy of an electronically filed document.

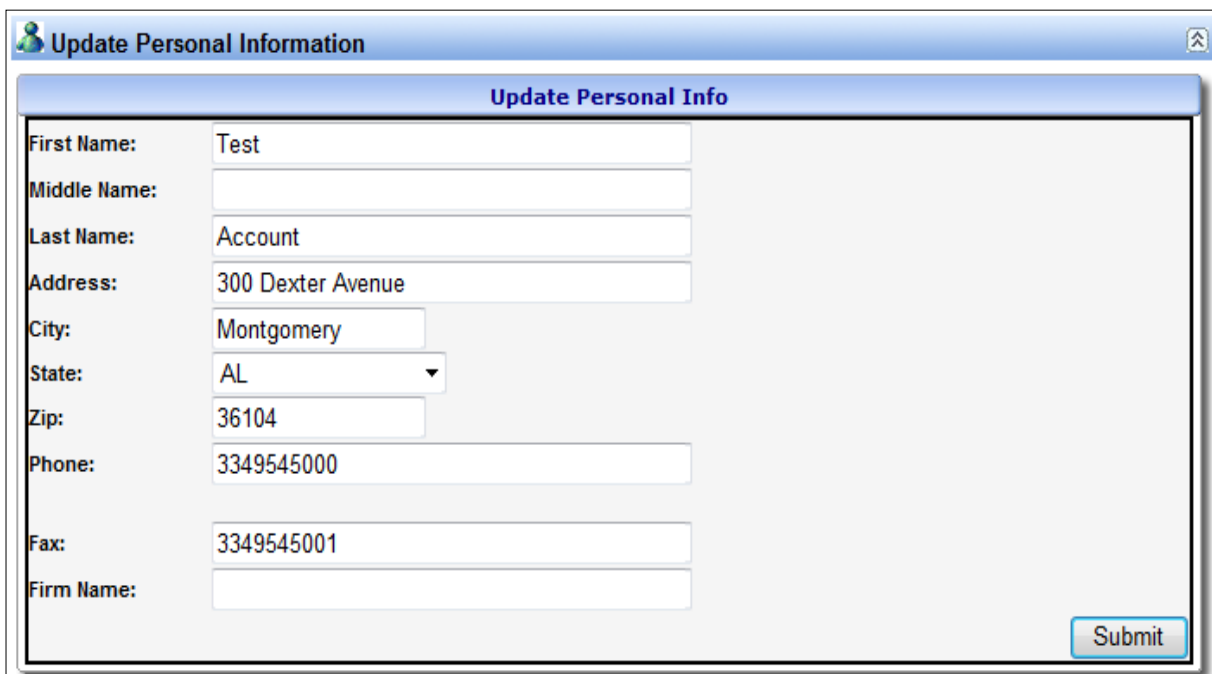

Update Account

The **Update Account** tab on the main navigation bar allows the user to manage personal information such as names, addresses, email addresses, password, confidential access code, alternative email addresses, payment options and recurring parties.

A vertical list of seven blue navigation buttons with icons on the left and a small dropdown arrow on the right. The buttons are: 'Update Personal Information' (person icon), 'Change Email Address' (envelope icon), 'Change Password' (lock icon), 'Change "Confidential Access" Code' (key icon), 'Change Alternative Emails' (envelope icon), 'Manage Payment Options' (dollar sign icon), and 'Recurring Parties' (group of people icon).

Under **Update Personal Information** the user can update their personal information including name, address, phone or fax numbers. Whenever any relevant personal information changes, the user must update their information with AlaFile as required by the *Administrative Policies & Procedures for Electronic Filing*.

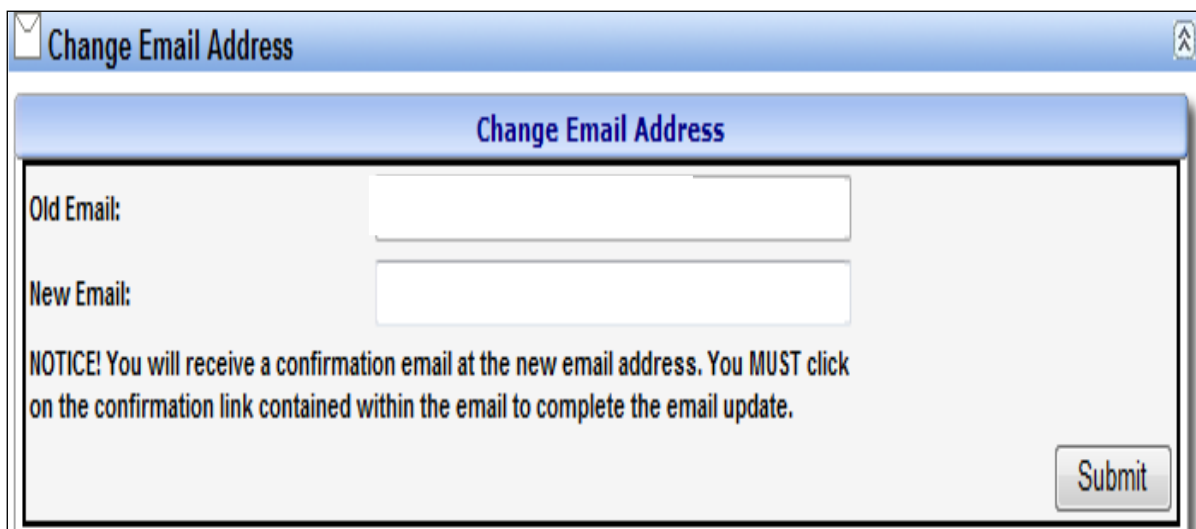

A screenshot of a web form titled 'Update Personal Info' within a window titled 'Update Personal Information'. The form contains the following fields: First Name (Test), Middle Name (empty), Last Name (Account), Address (300 Dexter Avenue), City (Montgomery), State (AL dropdown), Zip (36104), Phone (3349545000), Fax (3349545001), and Firm Name (empty). A 'Submit' button is located at the bottom right.

It is important to note that practicing attorneys will need to update their contact information with the Alabama State Bar in which the Administrative Office of Courts receives nightly updates into SJIS Mainframe (State Judicial Information Systems). To update personal information, the user should type in the updated information, then click **Submit**.

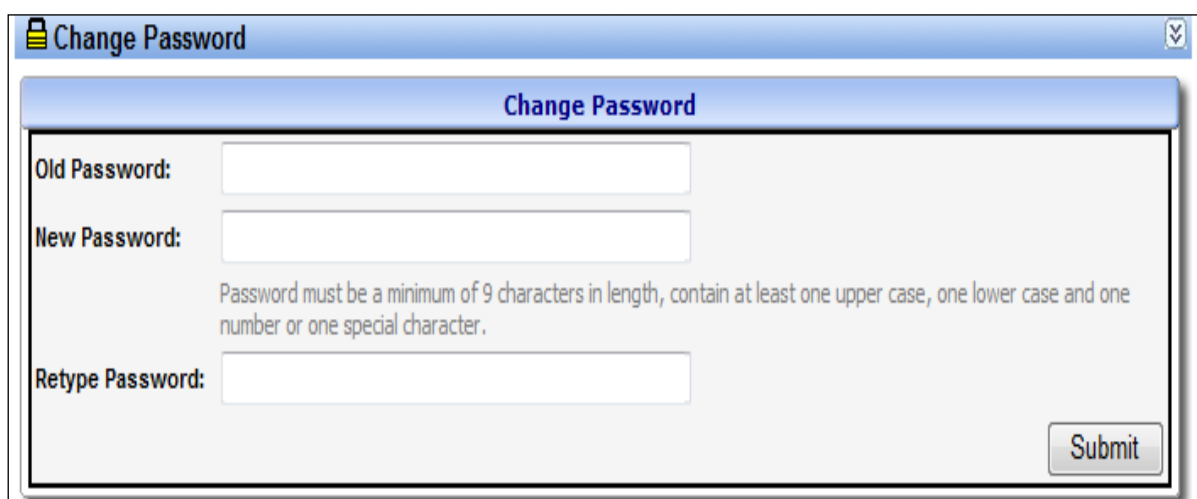

Under **Change Email Address**, the user can update their account to reflect a new email address. This email address update must be done anytime the user changes email addresses pursuant to the *Administrative Policies & Procedures for Electronic Filing*.

The email address on record with AlaFile is the primary address used to provide service copies. To complete the email address change, the user must click on the confirmation link sent to the user's new email address.

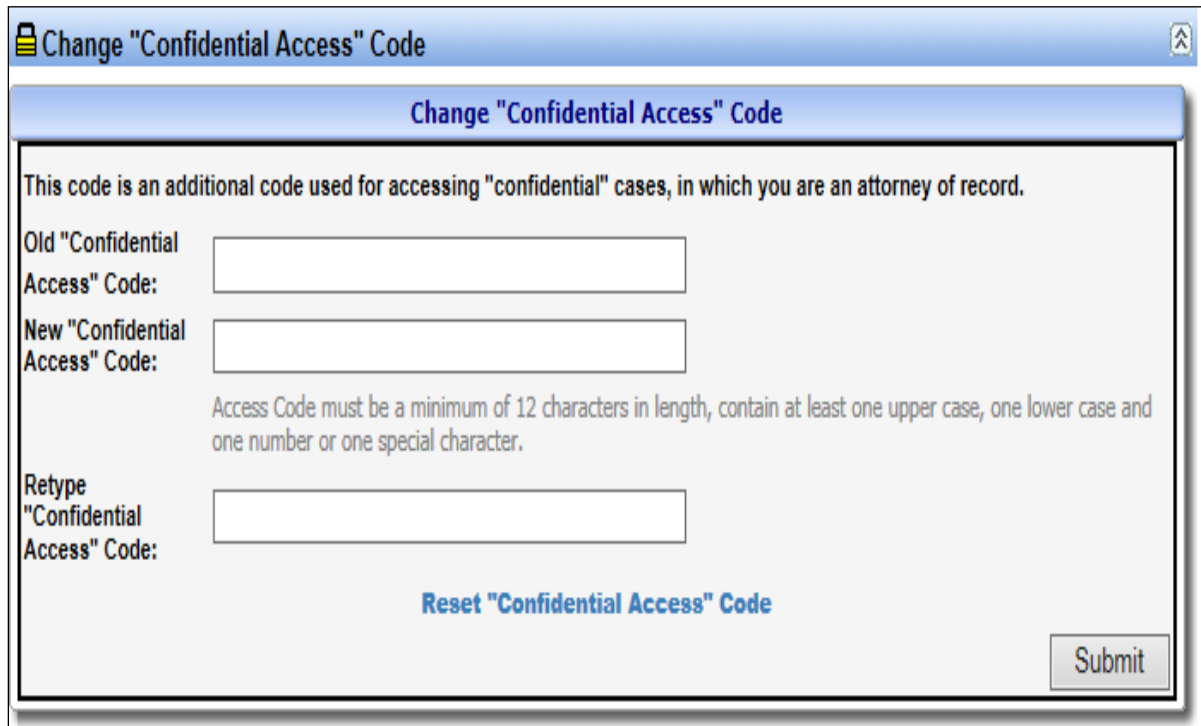

The screenshot shows a web browser window titled "Change Email Address". Inside the window, there is a header bar with the title "Change Email Address". Below the header, there are two input fields: "Old Email:" and "New Email:". Below these fields, there is a notice: "NOTICE! You will receive a confirmation email at the new email address. You MUST click on the confirmation link contained within the email to complete the email update." At the bottom right of the form, there is a "Submit" button.

For security reasons, the user may change their AlaFile password anytime. AlaFile password changes must be a minimum of 9 characters in length, contain at least one upper case, one lower case and one number or one special character then clicking **Submit**.

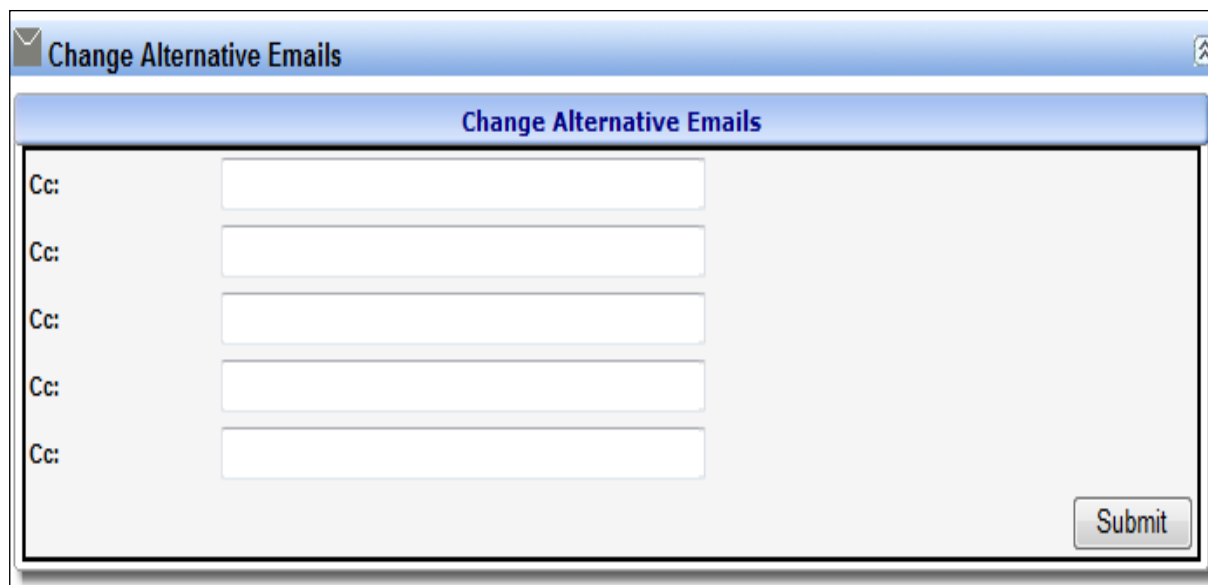

The screenshot shows a web browser window titled "Change Password". Inside the window, there is a header bar with the title "Change Password". Below the header, there are three input fields: "Old Password:", "New Password:", and "Retype Password:". Below the "New Password:" field, there is a password requirement notice: "Password must be a minimum of 9 characters in length, contain at least one upper case, one lower case and one number or one special character." At the bottom right of the form, there is a "Submit" button.

For security reasons, the user may change their confidential password anytime. Confidential password changes must be a minimum of 12 characters in length, contain at least one upper case, one lower case and one number or one special character then clicking **Submit**.

The screenshot shows a web application window titled "Change 'Confidential Access' Code". Inside the window, there is a sub-header with the same title. Below the header, a message states: "This code is an additional code used for accessing 'confidential' cases, in which you are an attorney of record." The form contains three input fields: "Old 'Confidential Access' Code:", "New 'Confidential Access' Code:", and "Retype 'Confidential Access' Code:". A note specifies: "Access Code must be a minimum of 12 characters in length, contain at least one upper case, one lower case and one number or one special character." At the bottom of the form, there is a blue link "Reset 'Confidential Access' Code" and a "Submit" button.

If alternate email addresses are provided in the CC fields during the initial registration process, those email addresses are provided service copies of all emails that are sent by the application to the primary registered email address. If the user wishes to add new email addresses or change existing addresses, click **Change Alternative Emails**, type in the new email address(es) then click **Submit**.

The screenshot shows a web application window titled "Change Alternative Emails". Inside the window, there is a sub-header with the same title. Below the header, there are five "Cc:" labels, each followed by an empty text input field. At the bottom right of the form, there is a "Submit" button.

AlaFile uses the utmost caution to protect credit card and bank information when making online payments. To ensure security, the filer is given two payment options:

1. Manually enter payment information at the time of e-filing:

Using the **Manage Payment Feature** is **OPTIONAL**. You may continue to enter your complete payment information at each transaction. AlaFile will **NOT** store your payment account identifying information in the AlaFile system.

2. Store payment information for future use:

If you choose to store payment account information for your convenience or to share your payment account information with others in your firm, then you should use this option. This service stores your payment account identifying information (credit card number or bank account information) securely in a 3rd party PCI Certified Data Center which provides AlaFile with a token used to call your payment information for processing. ***Please be aware that each time that you use the token, a \$0.05 charge will be added to the payment convenience charge. By setting up a Payment Option you agree to pay the tokenization charge.***

Steps to add new payment accounts:

1. Click Manage Payment Options.

2. Within the manage payment options enter a description then click Add a Payment Option.

Payment Options								
\$ Manage Payment Options		Description:		Add a Payment Option			Instructions ?	
User	Administered By	Type	Description	Account Number			Payment Options	Payment Options
JIMMY ACCOUNT	JIMMY ACCOUNT	Credit Card	test	1111	Add Users	View Existing Users	Update	Delete

3. Enter the required billing information from your debit/credit card and click Add.

4. Click on Add Users of an existing payment option to add additional users.

The **Recurring Parties Feature** provides a method to save information associated with a party that the filing party may represent on a regular basis. By setting up this feature and saving the information into AlaFile, the user can access saved data during the filing process to avoid entering this information each time a document is e-filed (such as a complaint). To utilize this feature for a new party, the user should click on **Recurring Parties** and fill in all the requested information and click **Add**. To modify an existing party, click on the name of the party, enter the information and click **Update**. To delete a party, click on the party name and then click **Delete**.

Payment History

The **Payment History** button on the main navigation bar allows the user to view payment history made through AlaFile. Depending on the report desired, the user can enter the appropriate parameters to obtain information on fees paid through the AlaFile application, either by date range, transaction code or reference number.

The screenshot shows a web form titled "Search Payments". It features three tabs: "Search By Date Range" (which is selected), "Search by Transaction Code", and "Search by Reference Number". Under the "Search By Date Range" tab, there are three input fields: "Start Date:" with a text box and a calendar icon, "End Date:" with a text box and a calendar icon, and "Payment Option" with a dropdown menu currently showing "ALL". A "Search" button is located at the bottom right of the form area.

Filing Documents

Complaints

The process of e-filing a complaint in each of the five civil divisions is very similar (circuit civil, district civil, small claims, domestic relations and child support). The general workflows and basic logic can be applied to the other civil divisions described above. For simplicity, this tutorial will explain how to e-file a complaint in circuit civil (CV) division.

Circuit Civil Complaint

1. Hover your mouse over the **Complaints** menu on the main navigation bar.
2. Hover your mouse over **File New Complaint** within the **Complaint** menu.
3. Click **Circuit Civil**.

Note: Depending on the division chosen, the electronic cover sheet may look different.

4. Select the **County** from the dropdown list.
5. Select the radio button for **Emergency Relief**.
6. Select the radio button for **Filing on Behalf of State Agency**.
7. Note the checkbox for the **Affidavit of Substantial Hardship**. It is important to point out that if this option is selected AlaFile will not suggest the filing fee. When e-filed, the request for a substantial hardship will go directly to the judge hearing the case.
8. At that time, the judge will be able to **grant** or **deny** this hardship.
 - a. If granted: AlaFile will generate a summons and will proceed as a normal complaint.

- b. If denied: AlaFile will send a notice back to the filing part for adjustment of filing fees within a sum certain time (i.e. 5 business days to perfect payment of filing fees or the case will not be recognized by the courts).

9. Select the **Type of Complaint** from the dropdown selections.
10. Select the **Origin** of the case filing.
11. Select the radio button for **Jury Trial Demanded**.
12. Select the radio button for **Monetary Relief Requested**.
13. Select the radio button for the **Amount of the Claim**. If unknown/undetermined is selected AlaFile will suggest the higher filing fee.
14. Enter the **Total Damages** requested (optional).
15. Select the radio button **for Mediation Requested**.

Matter	
CAUTION: Payment of the filing fee is jurisdictional and set by Ala. Code § 12-19-71. By signing the informational cover sheet (Form ARCIV-93), the attorney is certifying the information contained therein pursuant to Ala. R. Civ. P. 11. Failure to accompany a pleading with the proper filing fee may result in a lack of subject matter jurisdiction over the matter, and the rendition of a judgment which could be deemed void.

Adding Parties to the Electronic Cover Sheet

16. Enter the **Total Number of Case Parties** for both plaintiff(s) and defendant(s).
17. Select the **Party Type** drop down (business, individual, government or other).
18. Type the **Party Information** in the boxes provided (all fields marked with an asterisk (*) are required fields).
19. If additional attorneys are representing the party, click the **Add Additional Attorneys Besides Filer** checkbox. Type in the attorney code of the other attorneys in the boxes that wish to make an appearance in the case.
20. Click **Add**. This adds the party to the red box at the top.
21. When adding a defendant to the complaint you will need to choose the type of service from the **Service Type** dropdown.
 - a. If you choose **Sheriff** service type, you will have to choose the county where the complaint will be served.
 - b. If you choose **Private Process Server** service type, you will need to type in the name of the process server.
 - c. If you choose **Certified Mail** service type there are two options for this service.
 - i. Service to be perfected by the **clerk**.
 - ii. Service to be perfected by **filer**.
 - d. If you choose **Service Waived** a summons will not be generated.

Additional considerations:

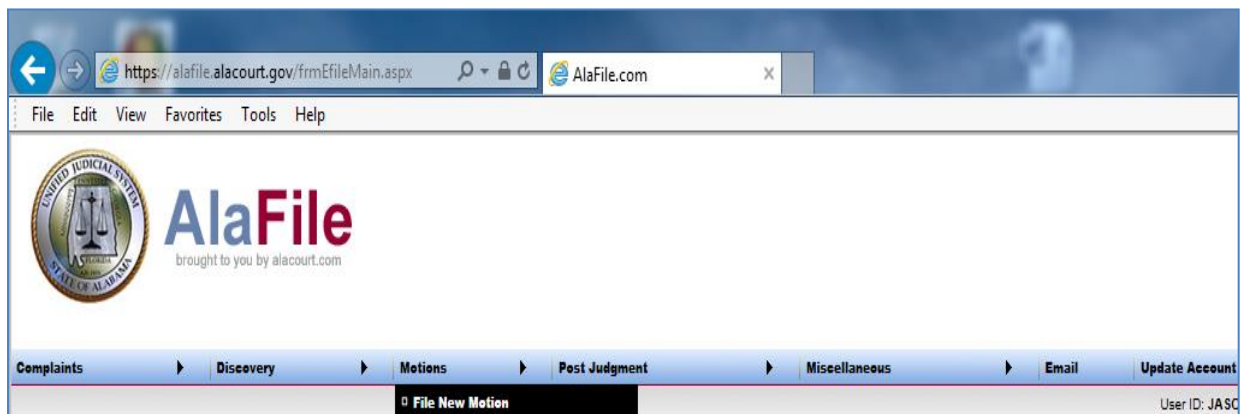

1. The JID (judge identification code) in each case or point case must match.
2. A good rule of thumb is batch orders on batch motions require the same disposition. Otherwise, the judge will need to specify in the order details for each batch motion with different dispositions (i.e. a different order for .01 then .02).

Juvenile Motions – Prerequisites

Prior to e-filing a juvenile motion in AlaFile, the attorney must:

- Successfully setup their Confidential Access Code in AlaFile.
- The attorney's six digit 'Attorney Code' (abc123) must be associated with the case.

1. From the main AlaFile Menu Select **Motions>File New Motion**.

2. Enter the juvenile case number then click **Add Case**.

Tip: make sure and e-file the juvenile motion under *the correct case point extension*.

3. A Confidential Access Code prompt will appear. Access to juvenile cases is limited to attorneys of record in the case. An access code is required to access documents in this case. Enter the **Confidential Access Code** then click **Authenticate**.

"Confidential Access" Code

This case is confidential.

Access to this case is limited to attorneys of record in the case. An access code is required to access documents in this case. If you do not have an Access Code, [Click here](#) to create one.

Enter your "Confidential Access" Code:

If the filing attorney is not a party to the case, then they will have to traditionally paper file a notice of appearance. The AlaFile system will not allow non-related attorneys to e-file a notice of appearance in confidential cases.

If the filer has never created a confidential access code, simply click the blue [Click Here](#) link to go to the screen to create one.

Steps to Setup Confidential Access Code within AlaFile:

To setup the Confidential Access Code in AlaFile, please complete the steps below:

- Login to **AlaFile** (<https://alafile.alacourt.gov>)
- From the top menu bar, select **Update Account >Change Confidential Access Code**
- Enter a **password** that meets the criterion below
- **Retype** the new Confidential Access Code to confirm
- Click **Submit**

Change "Confidential Access" Code

This code is an additional code used for accessing "confidential" cases, in which you are an attorney of record.

Old "Confidential Access" Code:

New "Confidential Access" Code:

Access Code must be a minimum of 12 characters in length, contain at least one upper case, one lower case and one number or one special character.

Retype "Confidential Access" Code:

[Reset "Confidential Access" Code](#)

Note: All passwords for access to these records for viewing or e-filing must be kept private and not shared with anyone.

- Passwords must be **at least 12** characters long. Each password must contain characters from at least three of the following four categories:
 - English uppercase characters (A through Z)
 - English lowercase characters (A through Z)
 - Base 10 digits (0 through 9)
 - Non-alphabetic characters (for example: ! \$, #, %)
- Passwords cannot contain your personal name (username) as part of the password.
- Passwords less than the above stated requirements will not be accepted.

Important: The Confidential Access Code is separate from the main AlaFile Password and Alacourt.com Password. Currently, the Confidential Access Code is used to authenticate the attorney so they are 1.) able to e-file juvenile motions within AlaFile and 2.) view juvenile cases and juvenile scanned images within Alacourt.com.

4. Make sure and review the case information is correct then click **Continue**.

Garnishments

1. Under the Post Judgment Menu select File Garnishment.

2. Under the File Garnishment Menu enter in the full case number.

AlaFile will check and make sure that a final judgment has been entered in the case. If a case is older than 10 years old, the system will not allow the garnishment to be e-filed. According to Rule 62 of the Alabama Rules of Civil Procedure, in Circuit Court the garnishment may not be filed until 30 days have passed from the date of the judgment. For District Court, 14 days must pass from the date of judgment before the garnishment can be filed.

3. If an appeal and/or a stay of execution has been entered by the court, or if the filer is filing in aid of a pending action, then the filer cannot proceed electronically and must file traditionally. If all conditions for being able to e-file a garnishment have not been met, a warning message that a garnishment cannot be filed now will display.

- Notice of Intent to Serve Subpoena on a Non-Party (Notice and Subpoena) - paper file
- **Note:** If a contested divorce becomes uncontested, the plaintiff's attorney may need to file the defendant's answer and waiver. File this under the miscellaneous menu NOT the Answer menu... Filing under the answer menu will cause the system to show the filer as representing the plaintiff AND defendant.
- Filing a Notice of Change of Address with the Court is not necessary. The Alabama State Bar (ASB) electronically sends all Attorney address information updates to AOC each night. If you have updated your address with the ASB please allow 24 hours for AOC to receive the update.
- Complaint case type *Adult in Need of Protective Services* may only be filed in the Circuit Civil division and they have been marked as confidential in the court system. Marking these case types as confidential includes any new cases filed and all previous cases filed. *Per ALA CODE § 38-9-6 (e) which states: "Any record of the department or other agency pertaining to such person shall not be open for public inspection. Information in a record shall not be disclosed publicly in such a manner as to identify individuals, but may be made available on application for cause to persons approved by the commissioner of the department or by the court."*
- **REMEMBER:** Cases marked as Confidential in the Alabama Court System may be e-filed into in AlaFile but case details and images are not available in Alacourt.com. Therefore, if you attempt to access a case in Alacourt.com and that case is not marked as YO or JU then you will have to obtain case information and images directly from the Circuit Clerk's office.
